

Dundas Valley Remodel – Kitchen, Dining, Den & Bath

Repair, Refresh, Relist or Renovate?

Choices can be both tough and exhilarating. The reward comes from developing a plan that suits your purpose well and when completed you can look upon with pride. At Relist Renovations, we can help you to set that plan in motion and see it through.

Let us help enhance the value of your property through our general contracting services and the Relist Renovations 4R Formula. Relist Renovations specialize in small to medium sized jobs with an emphasis on restoration. Based in the greater Hamilton Area, we have helped improve the quality of living and working in the local area for more than 25 years.

Where we started?

Painting and Customizing

Over 25 years ago we started out by helping neighbours, friends and family paint and repair their homes as they prepared to sell or move in. This became our specialty and fills a large part of our schedules today.

When calling Relist Renovations to take care of your commercial or residential painting projects, you can be confident of the quality of our services you will receive.

Get the results you want.

Our experienced staff are focused on quality workmanship, safety, and customer satisfaction. Our staff will do health checks and will arrive with appropriate PPE. We even confirm screening of both parties ahead of arrival.
